002006

Today's recommended wine...

"A dry blend of Chardonnay, Viognier and Chenin Blanc, and is a nice, crisp, summer wine, with apple notes from the Chard, floral notes and weight from the Viognier and a Chenin finish (peachy). The acidity gives it good structure, and there is no oak. It works well -- for a crisp, dry white to serve with grilled salmon or chicken alfredo."

Sandra Silfven, The Detroit News
